

Instruccions per instal·lar el paquet de veus en català:

- Descomprimiu el fitxer *Jeti-ca-Voice-V10.zip*. Un cop descomprimit trobareu dos directoris: *AudioCA* i *VoiceCA*.
- Enceneu l'emissora, connecteu-la a l'ordinador i feu una còpia de seguretat dels directoris *Audio* i *Voice* originals.
- Copieu el contingut del directori *AudioCA* dins del directori *Audio* de l'emissora.
- Copieu el contingut del directori *VoiceCA/ca* dins del directori *Voice* de l'idioma que esteu utilitzant:
 - Si utilitzeu la llengua anglesa aleshores heu de copiar el contingut del directori *VoiceCA/ca* dins del directori *Voice/en* de l'emissora.
 - Si utilitzeu la llengua espanyola aleshores heu de copiar el contingut del directori *VoiceCA/ca* dins del directori *Voice/es* de l'emissora.
 - Si utilitzeu la llengua francesa aleshores heu de copiar el contingut del directori *VoiceCA/ca* dins del directori *Voice/fr* de l'emissora.
- Reinicieu l'emissora.

El paquet de veus en català per a emissores Jeti ha estat adaptat per Miquel Nicolau i Vila (miquel@SeaWiMarine.net)

Instructions to install the Catalan voices:

- Unzip the file *Jeti-ca-Voice-V10.zip*. You will find two folders: *AudioCA* and *VoiceCA*.
- Turn on the transmitter, connect it to the computer and backup the original folders *Audio* and *Voice*.
- Copy the *AudioCa* files into the transmitter's *Audio* folder.
- Copy the *VoiceCA/ca* files into the transmitter's *Voice* folder according to the language you are currently using:
 - If you are using English, copy the *VoiceCA/ca* files into the transmitter's *Voice/en* folder.
 - If you are using French, copy the *VoiceCA/ca* files into the transmitter's *Voice/fr* folder.
 - If you are using Spanish, copy the *VoiceCA/ca* files into the transmitter's *Voice/es* folder.
- Restart the transmitter.

The Catalan voices for Jeti transmitters has been provided by Miquel Nicolau i Vila (miquel@SeaWiMarine.net)
